

TRIAGE

The Henry Street Centre provides an effective triage process to facilitate MHCP referrals from GP's to a central Triage Clinical Manager to assess risk and define the individual therapeutic needs of the client and allocate to a psychologist (within 24 hours)

REFER

Referral and MHCP received
EMAIL: admin@henrystreetcentre.com.au
FAX: (08) 6210 1688

TRIAGE

All referrals are triaged by HSC Clinical Manager within 24 hours

ASSESS

Risk assessments completed and therapeutic needs identified over telephone consultation with client

ALLOCATE

Allocation to a HSC Psychologist and client appointment is booked

INFORM

Referring GP and practice informed of allocation
